A1 SOFA – A TIMELESS CLASSIC

The A1 sofa is designed by byKATO, who has created a timeless, classic sofa that is tastefully designed and exudes character and class.

The simple lines allow the sofa to create a sense of comfort and closeness in the company's common area without taking up a lot of space. The A1 sofa provides a place to take a break, hold an informal meeting or offer visitors a comfortable waiting area.

The sofa contains differentiated foam to ensure the highest possible sitting comfort. There is a choice of more than 50 premium quality upholstery fabrics and leathers, providing a wealth of options for customising the appearance of your sofa.

The A1 sofa features light, welcoming contours that invites you to take a seat. It is available in a 3-seater version and as a 2½-seater sofa. The legs and base are in solid oak and you can choose between solid oak, black or solid oak, white pigmented matt lacquer. Accent the sofa with the comfortable and classic matching pouf, which is also part of the series.
